Career insights

2010 – 2012

Full stack freelancer (PHP, JS, SQL, Linux, CI/CD) for small and middle-sized projects.

All of my clients [gave](#) me a 5-star rating. Reviews are available [here](#). Must register to see them. Sorry.

2005 – 2010

Junior/middle full-stack developer (PHP, JS, SQL, Linux).

Thank you, [GameWatcher](#) and [RecordNerd.com](#), for unknowingly letting me practice the craft of web development on you.

2000 – 2003

Worked as visual designer for a local TV channel. Acquired an eye for objects composition, color matching, and animation.
